

Knight Night Relays XC Festival at Preston High is one of the more unique races in the nation. It features some of the fastest teams in West Virginia over a 4 x 1.5 mile course at dark. The glowsticks, tiki torches, and fireworks are cool, but we have a few new features for this year's race.

- Friday, August 27<sup>th</sup> - During the middle school races, Casey the fire performer will be back to entertain the crowd.
- Saturday, August 28<sup>th</sup> – During the high school races, Fun Aviation will be on site for tethered hot air balloon rides and if the weather permits a “light up” inside Knights Stadium. Please click on the link below to print out a waiver form. There is one link for adults and one for minors.

MINORS - <http://www.prestonboe.com/Acknowledgement-of-Risk-Minor.pdf>

ADULTS - <http://www.prestonboe.com/Waiver-form-adult-2021.pdf>

We also have a pretty big surprise up our sleeve. On Saturday, be sure to look to the sky over Knight's Stadium at approximately 7:45 p.m.

Below is the schedule for both evenings (Friday – Middle School, Saturday – High School). Please note that the times of the boys and girls races have changed.

7:30 p.m. – Open Race (untimed)

8:30 p.m. – Girls Varsity Race (4 x 1.5 Mile Relay)

9:30 p.m. – Boys Varsity Race (4 x 1.5 Mile Relay)
