## **State Meet Qualification Procedure and Regional Cross Country Meets**

### **New Qualifying procedures for the State meet are:**

There are 3 ways to qualify for the State Meet.

1. On a team: Top 3 scoring teams qualify for the State meet. If only 2 teams score, only 2 teams qualify. If only 1 team scores, only 1 team will qualify. If no team scores, no team qualifies.
2. The Top 5 individual finishers not attached to a qualifying team will also qualify for the State Meet.
3. The top 10 finishers in a Regional meet automatically qualify for states. (This could possibly allow more than 5 individuals runners qualifying for states).

Remember that you may declare/enter up to 10 runners in the regional race. Only 7 can start the race. Those three alternates will transfer into the State Meet if the team qualifies by placing in the top 3 teams.
