

Riverside High School's Cornfield Crawl Invitational

Hosted by Riverside High School

Saturday August 23rd 2025

You and your teams are invited to compete at Riverside's First Annual Cross Country Meet, The Cornfield Crawl Invitational. The meet is designed for runners to have a great time and a smooth first meet of the season. The course is designed with PR's in mind, so your athletes will be excited to know that there is only 44 feet of elevation change total on the course. We will have Scooby Snacks on site as well as a traditional concession stand.

Directions to Course: Go to 1 Warrior Way, Belle, WV 25015 (right outside of Charleston, just off I-64) and look Buses can drop off in the circle in the athlete entrance but will park offsite; all spectators need to park at Riverside and go through one of two entry gates to the course, both will be marked on a course map that will be posted soon.

Course Type/Surface: Very flat grass and packed dirt on the perimeter of a working farm, two lap course with very little elevation change. Shoe chip timing will be used and we ask that you return those.

Course Map (attached or linked): will provide course maps once finalized.
