**Notes**

The following 10 pages are results from Brooke High School's three home meets so far including the actual results from the DeFelice Brothers Girl's Classic on April 9, 2005. For the Major meets (DeFelice Bros. Classic and Wendy's Relays) we use Accu-Trac timing. For the dual meets we use hand held or manual timing. I know that that makes a difference and that you need to know how the meets are timed.
