

CHARLIE PRITT CLASSIC @ PRESTON HIGH SCHOOL

The Preston High Athletic Department looks forward to hosting the 4th Annual Charlie Pritt Classic. The event will take place on Thursday, April 14th which is the day before Good Friday. This year's addition will feature high school athletes. Charlie Pritt was an integral part of the running sports at Preston High. Over the years, he served as a middle school coach, high school assistant, and the overall #1 parent-volunteer. Charlie's biggest impact may have been the thousands of pictures he took of athletes from all over the Mountain State. Charlie passed away much too soon while shoveling snow back in 2016. We are hosting this meet in his honor.

FACILITY: The Dr. John W. Trenton Track & Field Complex received a new polyurethane surface in the fall of 2021. The track is eight lanes with all-weather high jump, dual long jump runways, and pole vault runways. All of our equipment is AAE brand (90 degree hurdles, PV and HJ mats, etc.). The oversized discus and shot rings are concrete. Bleacher seating has improved with 400 permanent seats for spectators. Teams are asked to set up tents "cross country style" on the exterior of the track.

MEET ENTRIES: Please send us your entries via Hy-Tek Team Manager Lite. The Hy-Tek Event File will be located on www.runwv.com. We will also accept entries on www.athletic.net. All entries are to be submitted or emailed to prestonrun@gmail.com by 6:00 p.m. on Monday, April 11th. We will email all coaches a performance list on Wednesday, April 13th. We will also post this performance list on www.runwv.com. Coaches are reminded that all seed times must come from actual performances during the 2022 season and must be verifiable. This is critical in a "straight finals" meet. Anticipated times will not be accepted. Any additions or scratches can be emailed to prestonrun@gmail.com by 12:00 p.m. on the day of the meet. Additions and scratches can also be made on site prior to the coaches meeting at 4:00 p.m.

A results board will be available on the exterior of the track near the bull pen.

FACILITY RULES: Please remind your athletes not to jump the fence that surrounds the track or sit on the wall at the entrance of the facility. Doing so will result in a disqualification. In addition, tape is not to be used to mark relays or field events. Tennis balls will be provided for markings in relay races. The maximum spike length is ¼". Only those athletes checking in for an event are permitted in the bullpen. Hip numbers will be used so please remind athletes to place their number on their right hip.

PARKING: Schools in Preston County will dismiss two hours early so parking will not be a problem. We hope you and your team enjoy participating at our facility. We strive to host events that are competitive, exciting, and efficient.
