

# ELKINS HIGH SCHOOL | TRACK & FIELD PROGRAM

100 KENNEDY DR. | ELKINS, WV 26241

Dear Track & Field Friends,

To express gratitude for the Snowshoe Foundation's generous investments in Tiger Stadium, what was formerly known as the *Irwin Invitational* will now be known as the **Snowshoe Foundation Invitational at Irwin Track**. All Irwin Invite meet records will carry over. This allows EHS to thank the Snowshoe Foundation while continuing to honor legendary EHS Coach Bob Irwin.

After cancelling the meet due to harsh weather conditions in 2024, we aim to once again host a top-quality single session meet on **Friday, April 11, 2025**.
